Life Skills Program

THE ANCHOR

Manchester High School
1984

Dedication

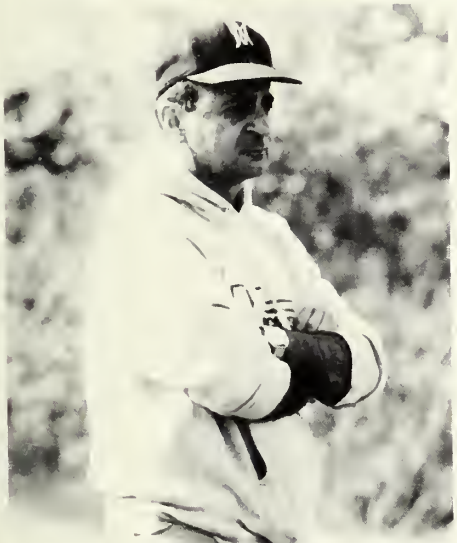
The class of 1984 wishes to honor and thank two people who have made an extraordinary contribution to Manchester High School.

They are not teachers, nor are they administrators; however, the many varied tasks they perform are essential to the well being and continued success of both the students and teachers.

They provide academic and educational advice, emotional support, and friendly encouragement. From within their tiny offices, order emerges from scheduling chaos. These two calm and wise counselors have steered hundreds of Manchester High School students toward hopeful futures.

In addition to their seemingly endless professional tasks, they enthusiastically and generously give of themselves to many other school activities. They are behind the students 100% as they coach, develop such new programs as Project Adventure, and avidly support all extra-curricular endeavors.

The 1984 Anchor is dedicated to Manchester High School's unsung heroes Miss Nancy Bachman and Mr. Richard Ananian.



Please don't send me back to Loomis-Chaffee.

Changes

Don't you feel a change a-coming
From another side of time
Breaking down the walls of silence
Lifting shadows from your mind
Placing back the missing mirrors
That before you couldn't find
Filling mysteries of emptiness
That yesterday left behind
And we all know it's better
Yesterday has passed
Now let's all start the living
For the one that's going to last
Don't you feel the day is coming
That will stay and remain
When your children see the answers
That you saw the same
When the clouds have all gone
There will be no more rain
And the beauty of all things is uncovered again
And we all know it's better
Yesterday has passed
Now let's all start the living
For the one that's going to last

The Varsity baseball squad had a tough season in 1983, with a record of 2-14. The wins came against rival teams Hamilton-Wenham and Rockport. Pitching was the team's primary problem, but the offense was strong, led by Tom Pallazola and Jamie Aiello. Losing only two seniors to graduation, 1984 should be a strong year for Hornet baseball.

Award winners were: M.V.P. Ellen Field; Coaches Award — Pam Smith; Most Improved — Eva Keville; Coaches Award — Leah MacEachern.

The end of the year highlight was having Ellen Field named to the Gloucester Times. Salem News and Beverly Times All-Star Teams.

Boys Tennis

The boys tennis team had an extremely successful year in 1983. Not only did they win the Cape Ann League, but they also won the State Tournament Division two. The team consisted of many fine players. Tim Allen, first singles, was a Boston Globe All-Scholastic player. Also at singles were Dan Ina, Second, and Kevin Huber, third. Our first doubles team of Jim Ina and Neil Sullivan were extremely successful with an undefeated record. At second doubles were Eddie Young and Josh Marsten. These two young players have much potential for the years to come. The 1983 tennis team was the most successful in M.H.S. history. Losing only two players to graduation, 1984 should also be a strong year.

Junior Curt Buddenhagen played very well in the no. 1 position, followed by seniors Bruce MacDonald, Tom Aldrich and Jay Pomeroy. Tom Aldrich played well in the C.A.L. Boys

The 1983 Boys Cross Country team included many successful runners. Mike Brown, Steve Rooney and Peter Hellwig all displayed great talent and potential, and the team should be very successful in the next few years. Co-Captain Matt Fusco's spirited leadership also played a large role in the success of the team. Special recognition should be given to Coach Priolo for his enthusiasm and dedication to the team in his first year of coaching.

Girls

Manchester's Girls Cross Country team was coached by Pam Baucom and led by captains Jennifer Smalley and Lisa Dunn. The team consisted of many underclassmen who will prove to be strong competitors in the future. Jessica Hayes and Jennifer Smalley were the top runners for the 1983 team and Lisa Dunn received the Most Improved Runner award. The team thanks Coach Baucom for her sense of humor and dedication.

Varsity Football

The M.H.S. Varsity Football Team had an excellent season this year. They finished with a 9-1 record, with one tough loss to Greater Lowell. The team went on to win the Commonwealth Conference title by beating rival Georgetown 6-0, in a game that included the infamous "goal line stand," with the Hornets holding them to 8 downs on the one yard line. Captains Wally Melvin and Karl Bachry deserve much credit for the success of the team. Wally Melvin, Karl Bachry and Joe Pallazola were also elected to the Division V all star team.

One of Manchester High's most outstanding and least recognized athletes is Linda Porter. Linda has beer swimming competitively since elementary school and she has consistently performed well in meets across the state and across the country. The class of '84 recognizes and appreciates the accomplishments of M.H.S.'s singular swim team, Linda Porter.

TO THE CLASS OF '84

Since this is my first year here, people frequently ask me, "How do you like it in Manchester?" I usually respond with something like, "I like it very much." which is true and safe, but it says very little. Unfortunately, there is usually not enough time to say more. I should take the time to say that I like the beautiful scenery on my drive to work. I like championship teams both athletic and academic. I like students who are characters and have character. I like 7th graders and seniors in the same building, both are a bit confused and excited for different reasons. I like small schools where people really care about each other. I like teachers that spend enormous amounts of time working with students after regular hours on teams and activities. In general being in a special place with special people is very likable.

The Class of '84 plays a special role in my feelings about Manchester. You have been the leaders, you have set the pace, you have made us an exciting place. With my coming and your leaving, we have passed by each other quickly. But my memory of you will linger for you are certainly a unique group of individuals. You have made yourselves special even among all that is already special about this place.

Best Regards,

William L. Foye
